

Penketh Councillor Surgeries - Parish & Borough Representation

When:

First Saturday of every month at 10:30am

Where:

Penketh Library, Honiton Way, WA5 2EY

No appointment is needed – simply let the librarian know you're here for the surgery.

What Are Councillor Surgeries?

Councillor surgeries are an opportunity for residents to meet with a Parish Councillor from Penketh Parish Council and one or more of your three Borough Councillors for Penketh, all in one place. These drop-in sessions are coordinated by the Parish Council to offer residents' advice, support, and guidance.

Whether you're raising a concern, need information about local services, or simply want to ask a question – we're here to help.

What Can Parish and Borough Councillors Help With?

Parish Councillors are responsible for local matters such as:

- Penketh Pool & Community Centre
- Local parks and green spaces
- Community events
- Parish grants and small-scale local initiatives

See the current Parish Councillors:

<https://penkethparishcouncil.org.uk/parish-members>

Borough Councillors represent you at Warrington Borough Council and can help with:

- Highways and road maintenance
- Rubbish collection and recycling
- Schools and education
- Housing and planning issues
- Social services

Meet your Borough Councillors here:

<https://penkethparishcouncil.org.uk/wbc-representatives>

If the issue is outside of our remit, we'll do our best to point you in the right direction. We can also help put you in touch with your local MP for Warrington South if needed.

Councillor Safety & Conduct:

Councillors attending surgeries follow the Nolan Principles of Public Life – including integrity, accountability, and respect. Everyone attending has the right to feel safe. Abuse, aggression or threatening behaviour towards councillors or others present will not be tolerated and may be reported.

We look forward to seeing you.

Penketh Parish Council
